Disclaimer

Forward-looking statements and charts contained in our documents are based on currently available information and therefore actual results may significantly differ from projected figures depending on various factors. Please do not make any material judgments based on the projections contained herein alone. Our core business deals with the rapidly changing Electronics sector and factors including technology, demand, price, competitive environment, changes in economic environment, exchange rate fluctuations and many other factors may adversely impact to management results or the financial condition of the company. For details on risks and uncertainties related to our results, financial conditions and other matters deemed important for investment decisions, please refer to "Business and Other Risks" contained in the "Consolidated Annual Summary Report" of Kenwood.
